THE OPEN DENTISTRY JOURNAL

ISSN: 1874-2106

Impact Factor
1.3

The Open Dentistry Journal is an Open Access journal, which publishes research articles, reviews, letters, case reports and guest edited single-topic issues in all areas of dentistry and the oral cavity. The journal is essential reading for researchers, orthodontic clinicians and academic & industry professionals. It aims to facilitate the quick communication of scientific knowledge among them.

The journal encourages submissions related to the following fields of dentistry:

- Clinical Trials
- Dental Biomaterials Science
- Dental Implants
- Endodontology
- Fixed and Removable Prosthodontics
- Management of Dental Disease
- Maxillofacial Surgery
- Operative Dentistry
- Oral Medicine
- Oral Pathology
- Periodontology
- Restorative Dentistry
- Translational Research

The Open Dentistry Journal, a peer-reviewed journal, is an important and reliable source of current information on important recent developments in the field. The emphasis will be on publishing quality papers and freely available to researchers worldwide.
